FAITH PROJECTS

1

AIRLINE TICKETS

Although we've become skillful in finding good deals, no matter how you figure it,.... it's expensive. The credit-card bill for tickets is currently \$2500 to be paid.

2

CAR UPGRADE

Germany has very stringent car inspections. So we need to either repair our old one so it can pass inspection, or upgrade to a newer car for approx. \$6,722 (5,000€).

3

LIVING EXPENSES

Due to the exchange rate & a few other new details, our current need is to have an additional \$1,142.82/month (850€).

4

COMPUTER

Brent needs a computer/laptop that he can take with him to the office and leave the other one at home with Gaby to do work from home with. Due to the type of work he does, the laptop that would best suit his needs is a MacBook Pro (\$2,000)

Spreading the light in Europe

Living in Germany & Europe

Europe is dark spiritually and remains one of the largest mission-fields on the earth today. We believe in reaching the next generation of young people & in so doing, we're impacting future generations as well.

The Euro is getting stronger & stronger. The cost of living in Germany is, for an american receiving support in \$ currency, not exactly ideal right now. For example, gasoline costs ~ \$7.50/gallon.

The exchange rate is currently about 1.344. In other words, for 1 dollar, you can exchange it for about 0.74 Euros.

Regardless of the circumstances, (no matter the cost) it's where we're called to go and to spread the light of the gospel of Jesus Christ. We're being obedient to the calling and know that our God supplies. He will sustain what He ordains.

We go with the confidence that we are doing those good works that He has before ordained that we should walk in. (Eph 2:10) God has a lot of awesome things He wants each one of us to walk in. As we trust Him and obey His promptings, we can expect to walk in His provision and plan for our lives.

It is God's desire that He bear much fruit through our lives, and that is our desire as well. Buy supporting our work, you are taking part in the fruit of our ministry as well.

We believe that it is through the application of God's Word in every situation of life, that will cause us to walk in His divine destiny for our lives.

Prayer Items

Please pray for us as we travel around the USA & speak with pastors & churches for favor and for divine contacts. Also, as we minister the word, that utterance may be given that we may open our mouths boldly, to make known the mystery of the gospel (according to Eph. 6:19 & Col 4:3).

As we travel back to Germany (beginning of August), for safety. Also for the kids, as it's a long journey for them. We want to make all the connections on time and have flights with no hold-ups.

When we're back in Germany, that we'll have wisdom on how to better train students at the training center to be better equipped for full-time ministry. How we can more effectively reach families right in our local area of Bonn/Linz. Also for ideas how we can better help teachers in churches around Europe be more effective in their very important ministry to kids & youth.

Thank you. **We appreciate you,** your prayers, & support.
