## Impacting Kids

So what kind of language do kids speak today?

Answer:...

### *The language of Multi-Media*

It's our job to instill truths from God's word into them in a way that is relevant & easy to understand.....

and the tools of Multi-Media are a great help in doing just that!

Through MultiMedia, *the life-changing message* can

be better explained, illustrated, and understood.

As one very experienced children's worker put it,

*"Let's be married to the message, - not the method".*

*Let's explore what today's kids need, & with God's help, we can develop a strategy that's relevant and effective.*

### Graduation - May 20, 2008 ➔

*This year, graduates were from centers all over Germany and Europe.*

*Also included in this year's ceremony was an ordination service for those licensed through RMAI in Europe.*

*Brent & Gaby went forward to have hands laid upon them for the official completion of their ordination.*

The Harris Family (Brent, Gaby, Sam, Joy & Joshua)

(Left) Sam & Joy  
Sam took a break from Kindergarden (for about 6 months) so he could spend more quality time with his dad. But now he's back and he's bringing his little sister with him (to show her all the ropes).

This was taken on Joy's first day of Kindergarden. She's doing great there!

(Above) Joshua's Dedication

On March 16th, we dedicated Joshua to the Lord. We are doing our best to bring our kids up in the nurture and admonition of the Lord. Joshua will fulfill God's purposes & plans for his life. He will grow to be a mighty man of honor and will do many great and mighty things with our God.
