## Impacting the world... one kid @ a time!

“If you want to change the world become a teacher!”

### AMAZING INFLUENCE

#### HIGH IMPACT

If you think back about your life... who are the people that influenced you the most? Your parents, grandparents, an aunt or uncle, friends or maybe even one of your *teachers*?

As surveys have shown, it's usually not some far off movie star, president, distant person from TV, radio, or the internet, but the people closest to us that IMPACT our lives the most.

Many of us still remember the name of our first grade teacher... Why? Because he or she greatly influenced us. How they treated us, the way they made us feel (good or bad), many times highly impacted how we see ourselves and who we are today.

As we teach kids the Word of God, we believe in the HIGH IMPACT we are making. Not only are we feeding their spirits and shaping their thinking early on, but we are making them little disciples and equipping them to live out the good plan God has for them.

What an amazing *influence* we have on their lives... As we teach them God's Word, love on them, and minister to them - Sunday by Sunday - we are IMPACTING their lives for

*Our multi-cultural "audience" /most of them either German or English speaking (among others)*

*As we are growing, our rooms are getting too small...*

*Always keeping them involved...*

*What a great privilege to minister to Children.  
We get to teach them the Word, train them in God's ways  
and thus making little disciples out of them.  
Just as Jesus wants us to (Mark 16)*

Gifts to Impact Ministries are tax-deductible | Thank you for your support!

# So what's going on in Germany?

Sam (5)

We took this picture from a park we enjoy going to on Sunday afternoons.

Well, it is summer and the weather is beautiful! Our kids are loving life.

Playing in the sandbox, baseball, soccer, and eating ice-cream... What a life!

Of course, there is little bit more to it for us parents ☺

Since Brent's promotion as *Multi-Media Director*, he has more to do than ever ... But he is enjoying the work.

- ✓ Childrens' Ministry
- ✓ Website Maintenance
- ✓ Training Workers
- ✓ Leadership Meetings
- ✓ Mobile Bible Training Centers
- ✓ Sound & Duplication
- ✓ various computer projects
- ✓ and other special events

....are keeping him pretty busy.

(More event details at: [www.rhema-germany.de](http://www.rhema-germany.de))

Joy (3)

Gaby finds herself mostly taking care of the little ones right now. She would love to join Brent for his trip to the States this fall (September 17 - 29).

But considering the cost of airplane tickets and the age of the kids, Brent and her agreed that it would be better for her to stay home for now.

"Der Eismann"

Brent loves his job at the soundboard!

Josh is now 6-months old & a happy 22lbs baby!

We miss you all and are hoping to see you next spring when we are planning to come to the States as a family!!
