

JULY 2009

# IMPACT MINISTRY UPDATE

WE'VE BEEN ALL OVER THE  
WORLD - BRINGING THE  
GOOD NEWS !

## Good News to America !

Have you heard much good news lately? Probably not... Especially if you like to read the newspaper or watch the News on TV...

But there IS good news! God's never changing promises, His eternal Word. This is what we endeavor to bring: **GOOD NEWS** everywhere we go.

A message of hope, faith, love...

That's what we're also doing in Germany. And we just got back from doing it in the good ole' US of A!

While in the States, we traveled, preached, taught & ministered in:

- Circle, Montana
- Dickinson, North Dakota
- Glendive, Montana
- Sydney, Montana
- Kalispell, Montana
- Miles City, Montana
- Ogden, Utah
- Gillette, Wyoming
- Detroit, Michigan

Sunday mornings, Sunday evenings, teacher training seminars ... and a LOT of miles of travel !

But time seemed to fly by & so did we (on June 23rd-24th) as we flew back to Germany.

We had a great time & thank God for all the wonderful people we got to see.

We're so thankful that we were able to "come home" and meet up with all of our friends and supporters there in the states. We are truly blessed.

PREACHING IN MILES CITY, MT

PREACHING IN OGDEN, UT

...AND ON THE ROAD AGAIN..

# Blessed coming in - blessed going out...

We are so blessed with our 3 kids.

**Sam (6)** is going to school this fall. He had the time of his life playing with the cousins (Zachery, Kolby & Lainey).

**Joy (4)** had been asking for a long time,

"When can we go back home to Germany?" Well now she's home!

And **Josh (1)** is our little cuddle-bug, he enjoyed getting to know Grandma & Grandpa for the first time.

On our way through Wyoming, while on our trip to Ogden, UT, Sam was BLESSED tremendously. He had been believing for a "motorcycle" for a LONG TIME.

And guess what? He got it!

You should have seen his face... he danced a jig of joy and said (*lifting his hands and head to heaven*) "Thank you, God!"...

So the kids (and us parents) really enjoyed our time in the States.

Now the kids are really enjoying being back in their own home again...

They get to sleep in their own bed and go to their familiar Kindergarden and do all the things they're familiar with again...

**A HEARTFELT THANK YOU TO ALL OF YOU WHO HAVE BEEN A PART OF OUR LIVES ON THIS TRIP. YOU KNOW WHO YOU ARE.... THANK YOU, & WE LOVE YOU !!!**

## ENGINE BLOWS UP!

While we were in the States, good friends of ours were using our van. As they were driving it one day, the engine blew up on them! Even though it was not their fault, we now need to replace the whole engine & turbo.

The approx. cost for this is 4500 Euros (= \$6,300). Since the van is a 2005 model we feel it is definitely worth fixing.

Isn't it good that we serve a God of more than enough? So we don't look to our bank account .... no, we look to our Provider. He provides all our needs as we do what He has called us to !

So until this is fixed, we're without wheels. And here where we live, in Leubsdorf, we HAVE to HAVE wheels!

So, we believe our wonderful Father in Heaven is supplying ON TIME ! The Blessing is at work on our behalf.

Looking forward to sharing with you how HE DID IT!
