

IMPACT MINISTRY UPDATE

HELPING KIDS FIND THEIR WAY AROUND IN THEIR BIBLE, BRENT IS TEACHING THE 6-12 AGE GROUP

We'll be in the USA in JULY!!

Our whole family is able to come to the USA this year! We'll be there for the whole month of July! We (especially Brent) are really looking forward to being home again and seeing Grandma and Grandad and everyone else..... Check our website for updates!

Our Ministry in Europe is growing in influence! We are directly supporting the Bible Training Centers here in Europe. And hundreds of students in Germany (& thousands around the world) are being trained for full-time ministry each and every month!

Our involvement in the local Church is increasing as well. Besides teaching kids on Sunday, Brent is actively leading teams in the church. As we pour our lives into our team members, we're influencing their lives as well. We're here to IMPACT LIVES for ETERNITY!
