

IMPACT MINISTRY UPDATE

"...AND THE **MINISTRY**, WHICH I HAVE RECEIVED OF THE LORD JESUS, TO **TESTIFY** THE GOSPEL OF THE GRACE OF GOD"

It's been a busy summer...

To give you a glimpse of some of what we've been doing.... Beginning of July, our kids were able attend a summer bible camp in Stuttgart (where Gaby grew up). We were also able to minister to all of the kids on "Crazy-Day". Of course, there was singing, roping, wild-west story-telling & a short testimony.

The kids always enjoy meeting & hearing from someone authentic that came from an actual ranch & has real stories to tell. This opens a door for us to speak into their lives about Jesus.
