## So what has been happening with Impact Ministries & the Harris family?

Well, thanks for asking... ;) Here is a quick update:

- Fall 2013 - Move from Germany to the US (Vida, MT)
- Getting settled / the kids started in school (Vida Elementary)
- Living closer to family (Dave, Joanne, Bill, Renee & the cousins)
- Helping out with the Family business (Harris Spraying)
- Being a part of Break Forth Bible Church \*you guys rock!!
- Sorting things out and getting direction
- Fall 2014 - Brent starting a new job driving truck \*for a while
- October 2014 - Move to Terry & getting the kids in school

So that was the short version, of course. ;) But God is good & His plans are awesome!. Following Him has been a very interesting journey & has taken us to many different, great places :)

**On a more personal note:**

The kids have done amazing switching over from the German to the American "system". By the grace of God the transition was pretty smooth. And we thank God & you, our faithful friends, family & partners for standing with us all this time with your love, prayers & support. You will probably never know HOW MUCH THAT MEANS TO US! Thank you so much!! May you be eternally & abundantly blessed!!

*On the road again...*

Ever since we (Brent & Gaby) met & got married in Sweden in 1997, it has been our heart to "Seek first HIS kingdom" ...

Wherever He would take us. So that is what we have been doing from the day we said "I do" :) Last year (*after 18 years on the mission field for Brent*) it was time for a break...!

- So we took a "Sabbatical" as a family. Which was very good and necessary for the family -

Jesus is a good shepherd... He knows what we need :) Wherever He leads us, we know GOOD THINGS are ahead! In fact, just recently God opened a door of ministry to us \*details to follow :) that we are very excited about. Meanwhile we are where we feel He wants us right now - enjoying life in Terry. Until next time, HAPPY THANKSGIVING! With love from the Harris family :)
