## Attending Bible College

Getting reminded & refreshed on the vision that Jesus has for the world.

Refreshed on the heart of God for **people**.  
Jesus came to SEEK & SAVE the lost. This is our mission as well - the Great Commission.

“The supreme task of the Church is the evangelization of the world.” Oswald Smith

**Brent & Gaby at Pikes Peak**

God’s wisdom & heart is being downloaded **to us** through the instructors & our time at Charis Bible College. We’re soaking it all in.

We’re also meeting people & connecting alot with internationals. It seems that we still have a big heart to reach Europe.

There’s plenty of opportunity for ministry.

Brent has been volunteering as a “Phone Minister” answering phones & praying with people & looking into being a care center volunteer to the elderly with CrossRoads.

Gaby has been volunteering at a local food bank & clothes closet to help people in need.

## MARDI GRAS OUTREACH 2017

I’m raising funds to join an evangelistic team going to New Orleans to do STREET OUTREACH at Mardi Gras in February! We’ll be on the streets about 8 hours / day witnessing to people & sharing the gospel with them.

I believe we will see many souls saved & there will be DIVINE APPOINTMENTS..... that although they are there to party & indulge in the flesh, God is going to touch their hearts & change their eternal destination!
